### Registration

#### Registration documents:

- Personal photo
- Presenting the tuition payment receipt for the first semester.
- Presenting the original high school diploma or the degree of the previous level and the original identity documents.
- Presenting a Persian language proficiency test certificate for courses held in Persian.

#### In-person Registration

In the face-to-face registration, after the applicant refers to the Office of International Students, the admission colleagues examine the announced documents then the Accounting Department colleagues introduce the applicant to the bank to pay the tuition fee. After paying the tuition fee and confirming the payment receipt by the accounting Department of the International office, the applicant will be introduced to the General Directorate of Educational Services for registration in a letter with the permission of the Ministry of Science and the bank receipt.

#### In absentia Registration

Due to the situation following the outbreak of Covid-19 pandemic and the absence of accepted applicants in the country, vice-President for International Affairs has registered them in absentia to help these people in coordination with the University Educational Services Department without paying tuition. Therefore, when registering, the applicant has to send pictures of all required documents via email to the Admissions Department of the Office of International Students, and sign the picture of the tuition payment and presenting the original document commitment letter in his or her presentation in the country then send them to the admission colleagues including his or her contact information.
